Canada’s most innovative university.

For over 60 years, we’ve been challenging conventions and turning heads. We’ve taken innovation beyond a buzzword and made it our identity. The University of Waterloo is designed to help you succeed in your academics, career and life. Our 100+ world-ranking programs are infused with experiential learning opportunities to help you apply the knowledge you gain in real-world scenarios. We also offer extensive student services to help you adjust to university life in Canada and ensure you stay healthy and balanced throughout your studies.

WATERLOO FACULTIES

Waterloo is home to six distinct teaching faculties and more than 65 departments and schools.

› Faculty of Applied Health Sciences  
› Faculty of Arts  
› Faculty of Engineering  
› Faculty of Environment  
› Faculty of Mathematics  
› Faculty of Science

I chose University of Waterloo due to its small town vibe. Everybody is so friendly and welcoming here! I’ve had the time of my life and I do not want to leave at all.

Why study in Canada?

Canada offers you a safe, welcoming environment to pursue your studies and explore your dreams. It’s home to one of the world’s best educational systems and is globally recognized for promoting peace, multiculturalism, and inclusivity.

The Region of Waterloo gives you the best of two worlds. You have all the perks of a big city - transportation, culture, and nightlife - with the charm and familiarity of a small town. Plus, you and your friends are only a short bus ride from Canada’s entertainment hub, Toronto, and the famous Niagara Falls.
