## WE ARE HERE .

Missouri S&T's 284-acre campus is in the center of the town of Rolla, a community of about 20,000 in the heart of the Missouri Ozarks. Located about 160km from St. Louis, Springfield and the Lake of the Ozarks, Rolla blends the friendliness, safety and charm of a small town with the cultural and recreational options of a much larger city.

Rolla, Missouri, USA | Founded 1870 | [mst.edu](http://mst.edu)

# CAMPUS LIFE

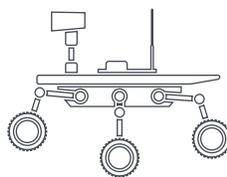

International events, including Celebration of Nations in September

# 200+

student organizations, including academic, international and intercultural, professional, social, recreation and sport, and special interests.

# 20

student design teams, including international champion mars rover, national champion solar car, advanced aero vehicle, and human-powered vehicle teams.

## IMPORTANT INFORMATION

On-campus housing available, (early registration required). Information about housing and meal options is available at [reslife.mst.edu](http://reslife.mst.edu).

- Early arrival up to two weeks before classes begin is possible with prior approval.
- Exchange students may register for classes before arrival.
- Our location in the Midwest offers one of the lowest costs of living in the U.S.

## STUDENT SUPPORT

The office of international affairs supports exchange students by offering:

- Free local shuttle – weekly
- Field trips and cultural events for exchange students
- Special events for exchange students
- Staff member dedicated to assisting exchange students.

## VISIT ST LOUIS

St. Louis, the largest city in Missouri, is just a short drive from Rolla. Long known as the “Gateway to the West,” St. Louis is home to the Gateway Arch, a monument to the country’s westward expansion. Other highlights include:

- Professional sport teams – baseball, hockey and soccer
- Shopping
- Museums, zoo and more.
